

# THE MOST TASTY PANINO WE CAN MAKE. EVERYDAY. SINCE 1979.

---

Made to order, as soon as you ask for it.  
That's why it's fresh, fragrant and tasty. But it's not just because  
of this that it's special.

There's the bread. Prepared with our original recipes.  
And then the ingredients. Selected, unique and made especially  
for us: such as the Prosciutto Crudo Langhirano seasoned for at  
least 26 months, the Parmigiano Reggiano aged 27 months, or  
our Sicilian olive oil.

These are not words. These are commitments of excellence that  
turn into unforgettable Panini. Since 1979.

*Panino Giusto has become known over the past 40 years for the high quality of its panini and dishes. This is possible thanks to the constant research and selection of suppliers who have always distinguished themselves by their excellency and the research they put into the choice of their raw ingredients. A union of innovation, tradition, flavour, excellence and appreciation for the land.*

## BREAD

There are 7 types of bread that Panino Giusto uses for its panini, from the one made with organic flour to the one with mixed cereals, from the burnt wheat bread to the bread with venus rice flour. They are all kneaded with sourdough yeast, low-salt, and made following **exclusive Panino Giusto's recipes**.

## PROSCIUTTO CRUDO

The prosciutto producer **Tanara Giancarlo in Langhirano**, based in the heart of the province of Parma, produces *Panino Giusto*-branded prosciutti which have been **aged for at least 26 months**, taken only from the leg of Italian pork, marked by the Consortium of Parma. The tenderness and the extraordinary balance which comes from the meat of these pigs helps to enhance the taste of the noblest of cured meats.

## OLIVE OIL

Panino Giusto has selected for all of its products one of the best **Sicilian** olive oil, from **Frantoio Cutrera**: their centuries-old olive groves give to the oil an intense aroma and unique flavour, with classic notes of green tomatoes and Mediterranean herbs.

## PARMIGIANO REGGIANO

The historic **Caseificio Gennari** selects for Panino Giusto a Parmigiano Reggiano of **Disolabruna**, a parmesan made using only milk that hasn't been subjected to heat treatments and that doesn't contain any additives; besides being particularly rich from the point of nutritional view, the **27 month ageing** gives the parmesan an intense flavour which can be identified in many of Panino Giusto's creations.

## ROAST BEEF

The original Panino Giusto recipe signifies that roast beef must be **cooked traditionally in an oven**; thanks to slow cooking methods, this meat of **Fassona Piemontese, one of the highest quality**, becomes even softer and more succulent.

## CHICKEN

Panino Giusto only uses chicken supplied by producers who carry out **constant quality control** and who respect the well-being of the animals and the environment. **Italian** animals, reared using common sense, awareness and natural choices.

## THE PANINO ITALIANO THEY AREN'T MADE SIMPLY WITH INGREDIENTS.

.....

Their creation includes Territory, Mastery and Creativity. These are the three valours of the Panino Italiano identified by the Academy of the Italian Panino.

For more than three years the Foundation has made its mission to focus on the promotion and appreciation for the uniqueness of the Italian Panino, in Italy and around the world. This is achieved by following certain values.

**Territory:** is the seasonal biodiversity of Italian products which become the ingredients between two slices of bread.

**Mastery:** is the extraordinary Italian art of striving to achieve greatness, and of creating with ones hands.

**Creativity:** is the emotion that is expressed every time something new is achieved, combining flavors and colors, shapes and textures. On the basis of these values, the Academy of the Italian Panino certifies authentic Italian Panini around the world. These three are our own creations: **Milan 2015, Tra I Due** and **Siciliano**.
